Preface	xiii - ixv
Pathology and Oncology Section	PTH/1
Dentoalveolar Surgery Section	ALV/1
Sleep Apnea Section	SLP/1
Ambulatory Office Anesthesia and Coexisting Disease Section	AOA/1
Physical Evaluation and Diagnosis and Critical Care Medicine Section	EVL/1
Index	

Pathology and Oncology

IN THIS SECTION

• Introduction	PTH/2
• Learning Objectives	PTH/3
• The Molecular Biology of Cancer: A Primer	PTH/4
• Comprehensive Evaluation of the OMS Tumor Patient	PTH/24
• Surgical Management of Squamous Cell Carcinoma of the Oral Cavity	PTH/42
• Melanoma of the Oral and Maxillofacial Region	PTH/58
• Sarcomas of the Jaws	PTH/71
• Salivary Gland Cancers	PTH/82
• Lymphomas of the Oral and Maxillofacial Region	PTH/99
• Diagnosis and Treatment of Benign and Malignant Odontogenic Tumors	PTH/115
• Management of the Neck in Oral Cavity Squamous Cell Carcinoma	PTH/135
• Reconstruction of Ablative Maxillofacial Defects	PTH/153
• Evaluation Forms	PTH/172
• Questions	PTH/175
• Discussions and Reading References	PTH/183

EDITORS FOR THIS SECTION

Eric R. Carlson, DMD, MD

Gregory J. Lutcavage, DDS

Dentoalveolar Surgery

IN THIS SECTION

- Introduction ALV/2
- Learning Objectives ALV/3
- Establishing Disease and Clinical Outcomes in Asymptomatic Third Molars ALV/4
- Alveolar Healing ALV/16
- Periapical Surgery: Clinical Decision Making ALV/27
- Coronectomy ALV/34
- Syndromes Associated With Dental Abnormalities ALV/42
- Nerve Injuries ALV/50
- The Paranasal Sinuses: Function, Dysfunction, and Surgical Complications ALV/64
- Evidence-based Clinical Practice: A Case Report in Clinical Decision Making With Imperfect Science ALV/85
- Evaluation Forms ALV/94
- Questions ALV/97
- Discussions and Reading References ALV/104

EDITORS FOR THIS SECTION

Alan L. Felsenfeld, DDS
Louis K. Rafetto, DMD

Sleep Apnea

IN THIS SECTION

• Introduction	SLP/2
• Learning Objectives	SLP/3
• The Spectrum of Sleep-Disordered Breathing	SLP/4
• Anatomy and Physiology of Upper Airway Obstruction/ Upper Airway Examination	SLP/19
• The Diagnosis of Obstructive Sleep Apnea Syndrome	SLP/32
• Medical Treatment of Obstructive Sleep Apnea Syndrome	SLP/45
• Oral Appliances for Obstructive Sleep Apnea Syndrome	SLP/61
• Soft Tissue Surgeries in Treatment of Snoring and Obstructive Sleep Apnea	SLP/70
• Telegnathic Surgery for Obstructive Sleep Apnea Syndrome	SLP/88
• Adjunct Techniques for the Surgical Treatment of Sleep- related Breathing Disorders	SLP/100
• Medical and Legal Consequences of Obstructive Sleep Apnea Syndrome	SLP/107
• Evaluation Forms	SLP/115
• Questions	SLP/118
• Discussions and Reading References	SLP/124

EDITORS FOR THIS SECTION

Kent E. Moore, DDS, MD
B.D. Tiner, DDS, MD

Ambulatory Office Anesthesia and Coexisting Disease

IN THIS SECTION

• Introduction	AOA/2
• Learning Objectives	AOA/3
• Anesthesia Treatment Planning	AOA/5
• Monitoring	AOA/21
• Local Anesthesia	AOA/30
• Pediatric Evaluation	AOA/49
• Anesthetic Management of the Patient With Congenital Heart Disease	AOA/59
• Anesthetic Management of the Cardiac Patient	AOA/95
• Anesthetic Management of the Patient With Reactive Airway Disease	AOA/108
• Anesthetic Management of the Diabetic Patient	AOA/123
• Anesthetic Risks in Obese and Eating Disorder Patients	AOA/134
• Anesthetic Management of the Gravid Female	AOA/143
• Anesthetic Management of the Patient With Liver Disease	AOA/153
• Anesthetic Management of Alcoholic, Drug-addicted, and Psychiatric Patients	AOA/165
• Evaluation Forms	AOA/185
• Questions	AOA/188
• Discussions and Reading References	AOA/197

EDITORS FOR THIS SECTION

Karen E. Crowley, MS, DDS
Noah A. Sandler, DMD, MD

Physical Evaluation and Diagnosis and Critical Care Medicine

IN THIS SECTION

- Introduction EVL/2
- Learning Objectives EVL/3
- Hepatic Disease EVL/5
- Pulmonary Disease EVL/17
- Cardiovascular Disease EVL/42
- Endocrine Disorders EVL/66
- Geriatric Disorders EVL/81
- Hematologic Abnormalities EVL/91
- Renal Disorders EVL/99
- Autoimmune Disease EVL/115
- Shock and Sepsis EVL/160
- Surgical Critical Care EVL/169
- Evaluation Forms EVL/183
- Questions EVL/186
- Discussions and Reading References EVL/195

EDITORS FOR THIS SECTION

Andrea Schrieber, DMD
Mark E.K. Wong, DDS
